

# DCSF guidance

---

The following documents from the Department for Children, Schools and Families (DCSF) could provide a useful resource for anyone trying to understand more about learning platforms and how they fit into the government's e-strategy.

- [learning\\_platform\\_guidance\\_primary.pdf](#) and [learning\\_platform\\_guidance\\_for\\_secondary.pdf](#)  
DCSF advice for primary and secondary schools providing clear policy and funding guidance for learning platforms.
- [Standards Fund Grant 121a](#)  
Additional Funding for developing and improving the National Digital Infrastructure for schools
- [Every Child Matters](#)  
Describes the Every Child Matters agenda in simple terms and has links to other useful information.
- [The e-Strategy Harnessing Technology: Transforming Learning & Children's Services](#)  
The DCSF's e-strategy published in 2005. It describes a more strategic approach to the future development of ICT in education, skills and children's services for the next 5 years and beyond.
